

## ***Research Police Blues***

It I'd rather figure out,  
not not not after "Fire" I shout.  
It lingers long though small it sprout,  
germane no-name lingering doubt.

I could Reset, X-ping, I-Net  
Therefor. Wherefore why ever not?  
Lest few as two and true beget:  
"Cease and desist"; and "Best forgot."

Than reputation not a whore  
if not for sure a puzzle more,  
the puzzle's words but three and four:  
"Neither neither nor  
before."

Than reputation not a whore  
if not for sure a puzzle more,  
the puzzle's words but three and four:  
"Neither neither nor  
before."
